### Announcements:

**July 10, 7:00 - 8:00 PM - Environmental Group.** Over the past months we have focused on specific local steps to help mitigate the climate crisis: composting, native plants for biodiversity, recycling, and more. Everyone is invited to join us for our July 10th discussion as we focus on the awe and beauty of our natural landscapes and brief history of the National Parks. To join our group and get more information about our events, email [bhvenviron@gmail.com](mailto:bhvenviron@gmail.com).

**July 12 and 26, 9:15 - 10:15 - BHV Walking Group** meets at the Triangle Garden every other Wednesday for a brisk walk around the neighborhood. We get to know one another and learn new routes. Contact Claire Munter for more information.

**July 19, 7:30 - 9:00 PM - The BHV Book Group** is still talking about the fantastic evening with Jamie Raskin in June where 60 people came to the Connie Morella Library in Bethesda for a

reception, book signing, and enthralling discussion. We are excited to get together in July in our usual group of a dozen or so in a BHV home to talk

about Marie Benedict's and Victoria Christopher's compelling historical fiction, *The Personal Librarian*, based on Belle da Costa Greene, who oversaw J.P.

Morgan's collection and passed as white to have opportunities otherwise denied her. This was a Good Morning America Book Club Pick. Our book for

August 19 is Alice Elliott Dark's novel, *Fellowship Point*, which was named a best book of 2022 by Time, Chicago Public Library, and NPR. Some people opt

to come every month to discuss all the books, but others drop in and out as time allows and as a book title catches their interest. We always welcome new

discussants whenever they come. Contact Caryn McTighe Musil for more information or to be added to the book group list.

**July 20, 2:30-3:30 PM - Coffee and Conversation** - For those who think it is too hot or smokey to venture out let's get together by zoom and catch up. We will share what we have been doing this summer. [Click here](#) for Zoom link

**July 28, 12:00 - 2:00 PM - BHV goes to Lunch at Maman** in downtown Bethesda. Maman Restaurant - 7140 Bethesda lane (in the pass through near Elm street). Come join us for lunch and meet BHV members and neighbors. We will have a big table and you can buy your lunch.

Most lunch items cost @\$14. RSVP to Betsy Carrier if you need a ride or want us to save you a seat.

**July 30, 12:30 - 2:00 PM - Triangle Garden hosts Family Day** with fruit, lemonade, snacks, and activities aimed at different ages. As an intergenerational organization, Bradley Hills Village seeks opportunities to host events across ages and as committed gardeners, the Triangle Garden caretakers love to expand children's knowledge of bugs, butterflies, and the flowers that nurture all of us. Come see our new birdbaths and benches and meet more neighbors.
